LUMIÈRE EXPRESS CREAMY

Lumière Creamy is a collection where light blends with colour to create deep, elegant shades full of dimension. Each shade has been designed to reveal sophisticated highlights, balancing intensity and softness in perfect harmony.

Its creamy texture allows for precise and even application, enhancing luminosity and delivering a silky, natural and long-lasting finish.

Designed for professionals looking to elevate their technique, **Lumière Creamy transforms** colour into a high-definition experience: more shine, more richness, more expression.

KEY FEATURES OF THE RANGE:

80%–100% grey coverage.

Greater durability.

Can be mixed with any Lumière shade.

Ideal for creating ombré effects and faux roots.

In cases where hair is not 100% grey, they blend seamlessly with the natural base shade.
